## Vodafone Europe

### Make the most of now

#### What is it?

Vodafone Europe means you can get cheaper calls and texts across 12 countries for just £20 a month. You can make calls and send texts like you would at home. So you won't be charged to receive calls, plus all call charges are by the second and not by the minute.

#### Who can use it?

Vodafone Europe is ideal for regular business travellers to the 12 Vodafone Europe countries included in the plan.

If you're on Your Plan for Small Business, you can use your inclusive minutes and texts overseas, just as you would in the UK.

For other business price plans, you'll be charged 5p a minute for calls and 5p a text<sup>^</sup>. If you're not sure which plan you're on, please check your bill or log on to My Account.

#### Where can I use it?

You can use Vodafone Europe in 12 European countries:

Czech Republic	Greece	Malta	Republic of Ireland
France	Hungary	Netherlands	Romania
Germany	Italy	Portugal	Spain

You can also use Vodafone Europe to make international calls to the above countries from the UK.

#### What else do I need to know?

There's no long-term contract and no minimum call charge. Opt in for just 30 days at a time – and opt out whenever you like.
